

How easy is it for people to get in and around the park?

Getting to the park

How much parking is there?	
Is there parking for disabled people?	
Are there secure places for bicycles?	
Where can coaches and minibuses park?	

Routes through the park

1 What do people walk on to get around the park?

Underline once if they are easy to walk on.
 Underline twice if it a little bit difficult.
 Underline three times if it is very difficult.

tarmac paths gravel paths paving stones grass

steps ramps boardwalks bridges

How easy would these be for someone to use in a wheelchair or who has difficulty seeing?

Which features in the park cannot be visited by some groups of people?

....

What could be done to help them?

....

What facilities cannot be used by some groups of people?

....

What could be done to help?

....

Choose three routes in the park. Mark on your plan where it would be difficult for anyone in a wheelchair, with a push chair or who uses a walking stick to use.
