You attend a local school and enjoy hanging out with your friends, but there's not really anywhere good to meet after school.

Sometimes you go to the park at weekends but it's boring.

Before the meeting, think about:

- What you don't like about the park?
- What you think could be good about the park?
- What activities you would like to do or facilities you would you like to see?
- What you and your friends could do in the park after school or at weekends?
